

22 August 2019

Great news!

All of our GCSE students achieved top marks at the 2019 exams: A* (9s & 8s in the new system) and A (7)!

Huge congratulations to all of them, to their parents who supported their children along the way, and to all WenLin teachers who received heartfelt acknowledgements as a result:

"You and the school have done her proud. The support and tutoring she received at WenLin was superb. Please pass on our thanks to all her teachers."

"I really can't thank you enough as your patience gave her the confidence and the enjoyment of learning Mandarin."

"She has told me that the teachers at WenLin were far better than the one she will have for A-Level at her school. Thank you so much!"

We teachers at WenLin are so pleased to hear the great results today.
