

October 2020

To whom it may concern,

I am delighted to be able to write in support of Rosa Wang and the WenLin Chinese School.

At SCPS, we began our association in 2017 and it proved very beneficial.

Rosa answered our call after our original provider was unable to meet the level of service we would expect in an independent Prep school.

Although at the time she operated only her own Chinese school, Rosa very quickly adapted to the school routine, both flexibly and thoroughly. Planning and reports are shared and of a rigorous standard. Her communication with teachers is first rate.

~~Our association only ended as we extended the provision of Mandarin through to our Senior School meaning we brought the teaching 'in-house'.~~

Ultimately, Rosa is deeply wedded to the promotion of the Mandarin language and Chinese culture and I am sure that you will find that any relationship you develop with her and her colleagues will be fruitful.

Please do contact me if you wish to know any more information. I would be happy to help.

Yours faithfully,

Tom Mylne

Head of Prep
